APPEAL

The Cathedral Church of the Redemption,

The Cathedral Church of the Redemption, situated on Raisina Hills is a historical and beautiful edifice, standing tall in splendour and elegance, adjacent to the Rashtrapati Bhavan. Built of sandstone, it stands in perfect harmony with the architectural magnificence of Lutyen's Delhi.

The story of the Cathedral revolves around its journey from an Englishman's congregation to a multicultural one. In its diversity, the present church has become one which is truly a house of prayer for all nations. The Cathedral Church members who have tasted the love of Christ have in turn reached out to society to translate that love into action through their numerous outreach programmes. One such programme is the Leprosy Patients' Children's Education Fund. Since 1974 a child whose parent is affected by leprosy has been educated and groomed towards integration in the mainstream of society under this programme. Though the initial numbers were small, today 110 children are being supported. Leprosy, though curable, still continues to be a disease whose victims are subjected to social ostracization. The problems that the children of parents who have leprosy face are many, and call for a gentle helping hand to instill a sense of confidence, meaning and purpose in their lives. With this objective, these children are being educated in different schools in and around the city of Delhi. The programme also enables and encourages these children to find a suitable source of livelihood.

To raise funds for the upkeep of this place of worship and the worthy cause of educating the children of leprosy patients, a Garden Fete is held every year in the church premises. The next Annual Garden Fete is scheduled to be held on Saturday, the 10th of February, 2018 whole-hearted participation is requested to provide the desired impetus to our endeavor. We seek your active support by booking advertisements in the brochure which will be released at the Annual Garden Fete. For your convenience, the advertisement tariff, and the response form is enclosed. Donations of products, articles, gift items, etc., for use at various stalls at the fete would be deeply appreciated.

Donations which are eligible for tax relief under section 80(G) of the Income Tax Act, 1961 would assist us in raising requisite corpus to support our project. For your convenience, a response form for such donations is also enclosed.

Yours sincerely

Rev. Dr. Paul Swarup
Presbyter-in-Charge.
